Activities List – Autumn Term 2026

It is important for your child(ren) to learn to value themselves, to value others and to value the environment they are working in. For everyone to have an enjoyable session and have fun, good behaviour is expected from everyone in before and after school clubs.

Please read this behaviour contract with your child(ren) so they understand the expectations of attending any before and after school clubs.

I am expected to do my best to behave appropriately.

I am expected to act politely to all adults involved in my care and the children who are attending the same club as me.

I am expected to listen to and follow instructions.

I am expected to keep my working area tidy and help to tidy up after activities.

I understand that if I break these behaviour expectations the club leader may speak to my parents and I may be asked not to come to before or after school activities.
